BOYS & GIRLS CLUBS
OF SANTA MONICA

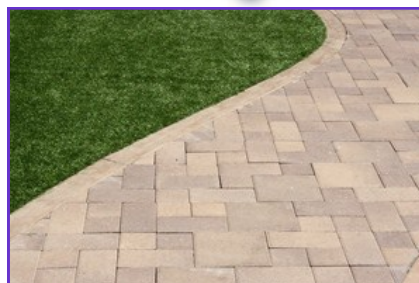

Building Great Futures... One Brick at a Time

For more than 66 years, The Boys & Girls Clubs of Santa Monica has helped young people reach their full potential by providing a safe and supportive place to learn and grow. Now our alumni, staff and supporters can leave their mark on the Club's foundation.

Our new outdoor area gives our members a place to have fun outside, and includes a playground structure, BBQ, picnic area, garden and more.

It also includes a brick walkway where you can commemorate your enduring involvement with the Club via a brick engraved with a personal message. 3 sizes are available; the proceeds help us keep membership costs to just \$20/year.

Fill out the information on the reverse side to become a part of our foundation and help ensure bright futures for our youth.

Thank you for your support!
